Keeney Street School Caring Cubs...

The Caring Cubs Club at Keeney Street Elementary School is a community service club that is open to all grade 4 students. This club gives students an opportunity to “pay it forward” and participate in lots of wonderful activities that help benefit our community. The Cubs Club promotes good citizenship and community service. The CUBS have been active participants in food drives, collection of items for The Hole in the Wall Gang Camp, Senior Citizen Bingo and Spelling Bees, Autism Speaks, flip tops for Ronald McDonald House, Barrier Free Playground and P. S. I Love U (Pajamas and Socks for Kids). All our activities are done during school hours so all students have an opportunity to participate. Please support the Caring CUBS Club at Keeney Street Elementary School!
